

FREDDY BUTTERFLY

by Fernando Jones

I've got a caterpillar. I've got a caterpillar.
And his name is Freddy . . . Freddy,
And he'll turn into a butterfly
When he gets ready . . .
And he will fly. And he will fly. And he will fly.
And he will fly. And he will fly. And he will fly.

I've got a caterpillar. I've got a caterpillar.
And her name is Betty . . . Betty,
And she'll turn into a butterfly
When she gets ready . . .
And she will fly. And she will fly. And she will fly.
And she will fly. And she will fly. And she will fly.
