

SUN, MOON, STARS

by Fernando Jones

**Hello, I'm the sun
and I am hot.**

**When I come out
you can play a lot.**

**I wake up
around 5AM.**

**When I go to sleep
out comes my friend.**

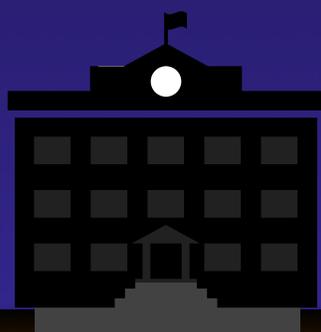

**When I go to sleep
out comes my friend.**

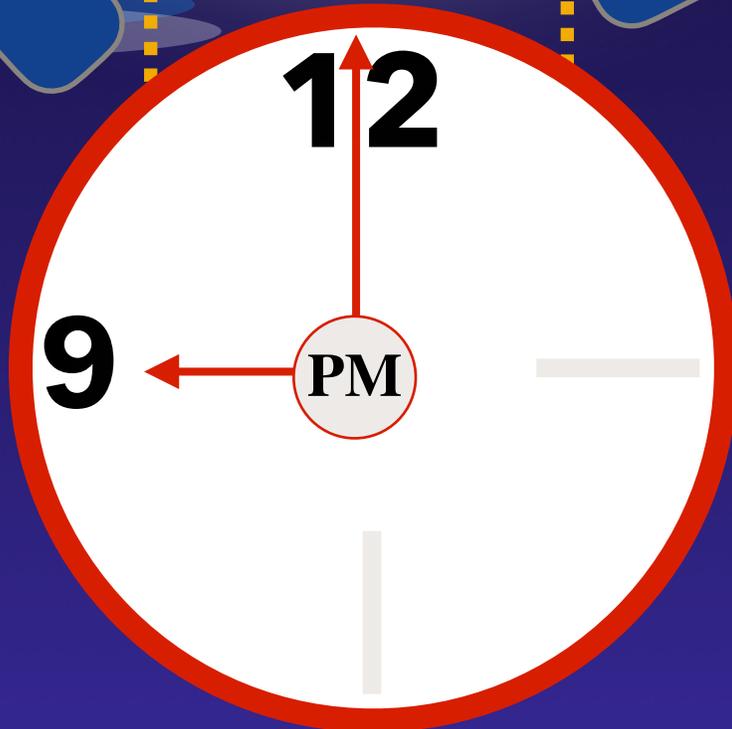

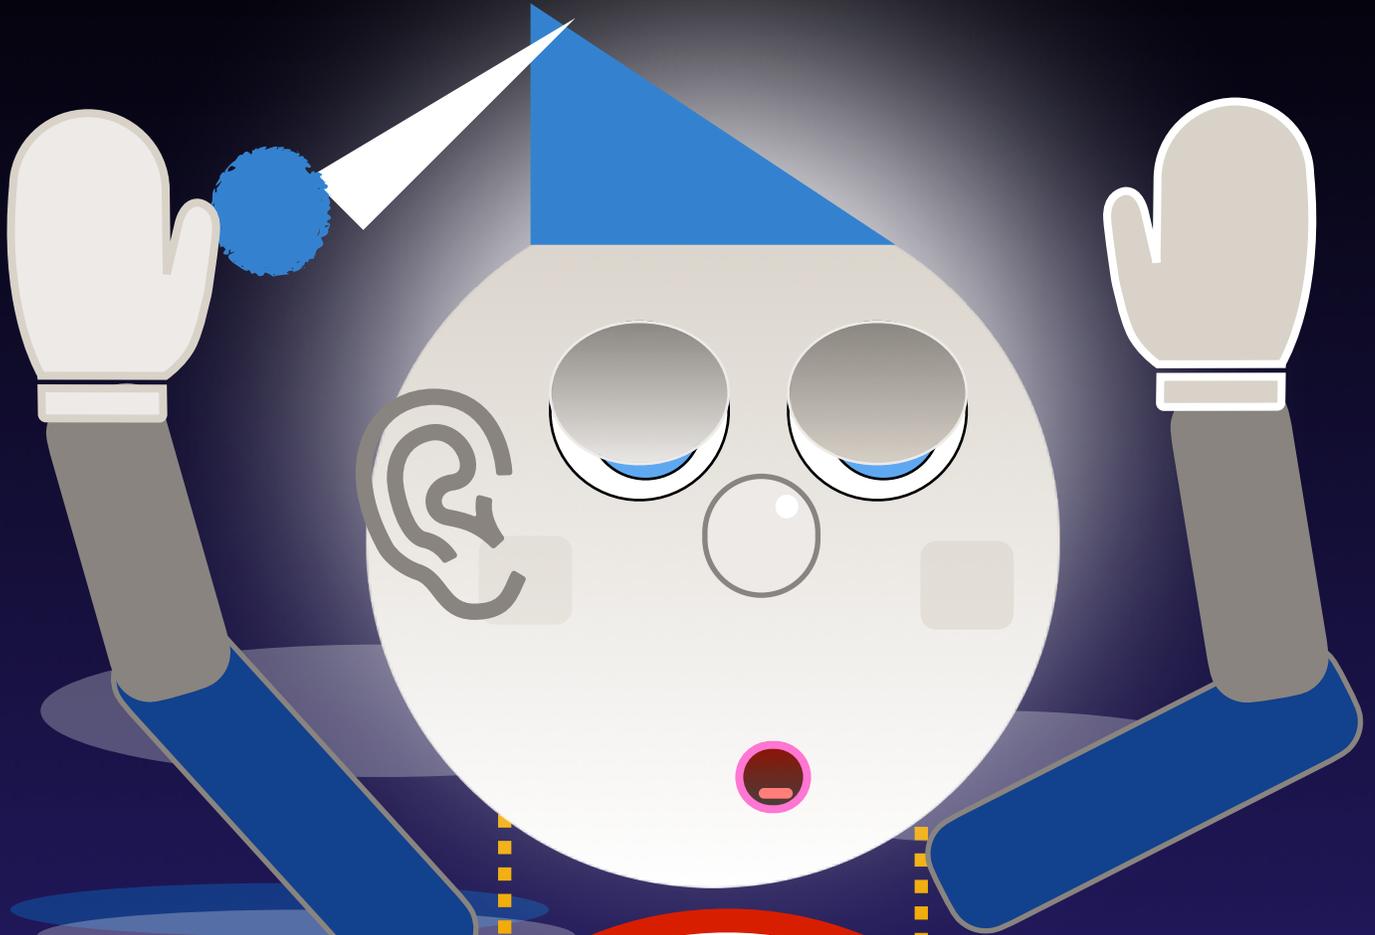

**When I go to sleep
out comes my friend.**

Hello, I'm the moon
and I am cool.

When I come out
you're in from school.

I wake up
around 9PM.

When I go to sleep
out comes my friend.

When I go to sleep
out comes my friend.

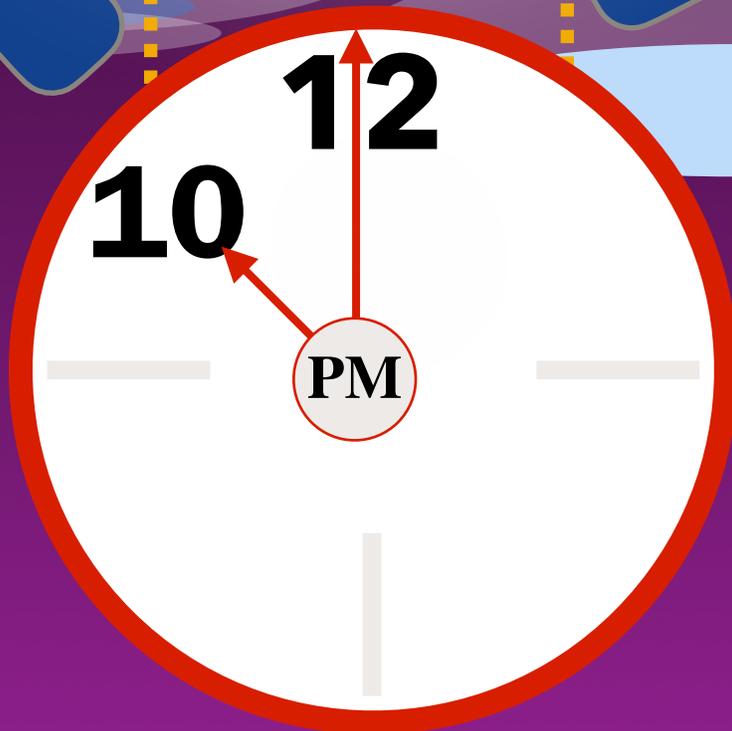

When I go to sleep
out comes my friend.

Hello, I'm a star
and I am bright.

When I come out
I shine my light.

I wake up
around 10PM.

When I go to sleep
out comes my friend.

When I go to sleep
out comes my friend.

When I go to sleep
out comes my friend.
