

This Christmas

Hang all the mistletoe
I'm gonna get to know you better.
This Christmas.

And as we trim the tree
How much fun it's gonna be together.
This Christmas.

The fireside is blazing bright,
We're caroling through the night,
This Christmas will be a very special Christmas for me.

Presents and cards are here
My world is filled with cheer and you. This Christmas.

And as I look around
Your eyes outshine the town, they do. This Christmas

The fireside is blazing bright,
We're caroling through the night,
And this Christmas will be a very special Christmas for me.

Shake . . .

Christmas Rap

Christmas Rap lyrics © Neutral Gray Music, Pure Love Music

'Twas the night before Christmas,
and all through the house
Hold it now! Wait, hold it. That's played out. Hit it!

Don't you give me all that jive
about things you wrote before I's alive
'Cause this ain't 1823, it ain't even 1970.

Now I'm the guy named Kurtis Blow
and Christmas is one thing I know.

So every year just about this time,
I celebrate it with a rhyme.

Gonna shake it, gonna bake it, gonna make it good
Gonna rock shock clock it through your neighborhood
Gonna read, gonna sing it till it's understood
My rappin' bout to happen
like a knee you've been slapping
Or a toe you've been tapping
on a hunk of wood.
