Mission

Blues Kids Foundation is an IRS recognized 501(c)(3) nonprofit charitable organization. We were established to preserve, perform and promote the Blues among America's youth, parents and educators under the tutelage of highly qualified instructors. Our focus includes Social & Emotional Learning, literacy and *Music as a Second Language*.

Global Impact

In 2017, we will present Fernando Jones' Blues Camp in institutes of higher learning throughout *America, Argentina, Canada, Cuba, England, Italy, Japan, London and Switzerland*.

Blues Camp is free because each *Blues Kid* receives a tuition waiver scholarship valued between \$1,500 and \$2,500. This priceless, fun-filled three to five day experience is designed to impact the life of "the Blues Kid" who simply wants a cultural enrichment opportunity — in an organic and nurturing environment — with like-minded others. For details on how you can be involved visit BluesKids.com and join our team.
